

New Shelter Policies

The shelter has reopened with the regular hours of Tuesday - Friday 11:00 - 4:30 and Saturday 11:00 - 2:00. New policies have been implemented to keep within the social distancing guidelines. Owner surrenders are by appointment only. We will also be scheduling appointments for meet and greets for our adoptable animals. Please call us at 423-442-1015 to schedule appointments. All adoptable pets can be seen online at monroecountyfriendsofanimals.org and also at the links on our Facebook page.

For the protection of our staff, volunteers, and the public, we will only be able to accommodate one family at a time. Wearing a mask is greatly appreciated. We would ask that you call when you arrive at the shelter to help us serve you better.
