SPONSORED BY THE SPAY NEUTER ASSISTANCE FOR PETS, INC.

Thank you to:

**East Tennessee Foundation's Fund for Monroe County,
East Tennessee Foundation's Harry W and Carolyn W Galbraith Fund,
Monroe County Friends of Animals (MCFA), On Shore Foundation, and
Tennessee Animal Friendly (vehicle license) Fund.**

Vouchers are limited to pet owners with combined household incomes less than \$30,000/year for a family (1-2 people), \$40,000/year for a family (3+ people), \$45,000/yr for families needing 3 or more vouchers for "unfixed" pet dogs/cats, or individuals who are on Disability, Medicaid, Handicapped or Food Stamp recipients. Pet owners will be asked to sign a questionnaire stating that they meet one or more of these qualifications. Vouchers are limited to Monroe County residents. A picture ID or other proof of residency is required.

Vouchers are valid for 30 days. After receiving your voucher, just call the designated Vet to make an appointment. (State law requires proof of rabies vaccination, the cost of which is not covered by the voucher). Participating vets are: the PPAW Spay and Neuter Clinic in Greenback, the Monroe County Animal Hospital in Sweetwater, or the Sweetwater Veterinary Hospital in Sweetwater.

If a qualified pet owner is unable to attend due to illness, handicap, work schedule, transportation, or other problems, a relative or friend can obtain a voucher for the pet owner. However, the relative or friend must provide all required information about the pet and owner including proof of residence.

Get your FREE voucher at the following public voucher issue sessions:
